## COMMANDERS REPORT

ROBERT ROBESCH, COMMANDER

Well a new Legion year has begun. So far we seem to be continuing the great year we just finished.

Let me start by saying thank you to several people. First thank all of you for allowing me to lead this great county for the year, I will do my best to justify your votes. Thanks to PCC Arlene Howard and her committee for the great job putting the Convention together. Thanks to PDVC Pete Holowecki for the fabulous installation dinner. Finally, Thanks to Junior Past County Commander Bill Harms and the rest of the Staff for leaving the county in such great shape.

The staff and I have been busy since June. We have installed the staffs of five posts, met with this year's participants in Boy's and Girl's State, attended the Installation of our new Auxiliary President, Nancy Carter, and attended the Department of New York Convention.

As always, membership will be our most important endeavor this year. We had several posts who reached or exceeded the 100% goal and many more that missed it by less than ten members. Remember it is never too early to start recruiting and getting the rest of the members to pay their dues.

The Legacy Scholarship and the National Emergency Fund will also continue to be priorities. Remember our goal is \$1.00 per member, we haven't hit it yet, maybe this will be the year.

A new program that we will be promoting this year is the VET DOGS. This is an organization which provides service dogs to disabled veterans. The county will match contributions from posts up to a total of three thousand dollars for the county. This is a great program and we should all try to promote it.

While we were at the convention, one of the resolutions we approved was one that encourages the state legislature to enact laws to protect all veterans monuments and memorials throughout the state. Currently New York is the only state without such a law.

In line with this resolution, The Department of NY is organizing an effort to identify and catalogue all veterans monuments in the state. We will have forms at the August meeting which every post can fill out, detailing all the monuments in its area.

Another resolution which we approved was to endorse a congressional bill introduced by Rep Steve Israel which will allow taxpayers to designate \$3.00 of their tax to be set aside for the benefit of homeless veterans. At this point, the bill has passed the house and is awaiting a vote in the Senate. Please contact our senators and ask them to support the bill.

Finally, as the summer marches on, there are many opportunities to meet potential new members. So, put on your best recruiting face and always carry an application or two.

Good luck, God Bless The American Legion and God Bless America.

## FIRST DIVISION REPORT

GUS LANZO, COMMANDER

Another year has passed and I wish to thank all who helped reelect me to this position. They say it gets easier the second time around. I certainly hope so.

I will be getting in touch with all the Posts in my division and I hope to see us achieve 100% membership this year.

Remember that everyone who has not paid their 2008 dues are delinquent it's still not too late to get them to pay their dues. Our Division is in first place in the county. Let's continue to lead the way!

Second Division Commander  
Joseph Reale, Commander

I wish to thank my fellow legionnaires for supporting me for this position.

I have visited several Posts and I have scheduled several more for the coming month.

Working together we can make our Division the best in the county. We certainly can achieve 100% membership. Don't wait until the end to get new members to replace those who do not renew or pass away.

---

Third Division Report  
JIM BARTON - COMMANDER

All Third division Posts have received their membership cards and related information. And, I am happy to report, some posts have gotten off to a great start, reporting 90% and greater already processed. (Don't forget the PUFL's)

I will be contacting all the Post Commanders about arranging post visits and will pass along any new ideas to help with membership recruiting and retention.

Third Division meetings will be held at the Williston Post, dates to be announced.

I would like to send a personal thank you to Commander Arthur George of the Port Washington Post and Commander Bill Landerer of the Glenwood Landing Post for their early invitation and warm hospitality.

CELL PHONE COLLECTION PROGRAM

REGINALD BUTT, JR. PCC

I shipped out 172 cell phones in July and have received notice that we will be getting a check for \$142.20 after the 1st of August. I also received notice that due to the economy the payment for cell phones in going down. A lot of the phones are no longer in demand due to the advanced technology and payment for the parts they stripped out of the others has decreased. It worthwhile collecting them as there is not cast to us, the recycling center pays for the shipping. Bring the cell phones to the county meeting or if you have a large amount I will come to you to get them. A large amount is 25 or more, gas is expensive, so make worthwhile.

## BOYS STATE PROGRAM

REGINALD BUTT, JR PCC

This year we sent 38 boys to BOYS' STATE. The boys departed on Saturday 28 June and returned on Thursday 03 July. Nassau County had one boy run for was elected Attorney General of Boys State, the third highest position. All the boys I talked with enjoyed the week, at first they were not sure of the Marines but by the end of the week they liked the Marines. This coming year we will start Boys State preparing for the program in November. I want to thank all the Posts that sponsored a boy or boys, this makes this~ program worthwhile. At the Department Convention it was mentioned that only 5 Counties exceeded their goal, our goal was 30 and we sent 38.1 would also like to thank the Williston Post #144 for hosting the Orientation and allowing the boys to leave from and return to their post.

## "HOMELAND SECURITY"

REGINALD BUTT, JR. PCC CHAIRMAN

When disasters happen volunteers are needed to mobilize other local volunteers and resources. Disaster related volunteer work may include such tasks as damage assessment, food preparation, language interpretation and message delivery. Other tasks run the gamut from cleaning up to entering data to transporting people to answering phones. The last two months the USA has been hit with a lot of disasters, flooding, forest fires, tornados, etc. Volunteers are needed the most when these type disasters hit.

Volunteer the use of the post building in emergency or disaster situations. Get member of the post to attend CERT (Community Emergency Response Teams) training. This training is 20 hours and they must attend all sessions. Local volunteers are necessary for the hardest and longest part of any terrorist attack, or natural disaster, the recovery phase. Local volunteer know how the area was before the attack or disaster and they know the best ways around any blockage of roads or other obstacles. Volunteers should only take on jobs or tasks that they are qualified to do, this way the risk of someone being hurt or worst is minimized.

Remember: "ALWAYS BE ALERT AND IF YOU SEE SOMETHING, SAY SOMETHING".

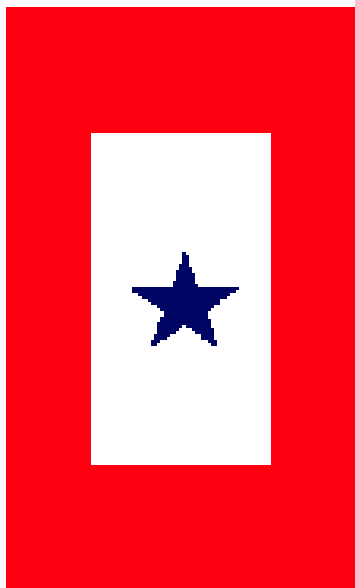

## METS GAME TO HONOR NATIONAL GUARD

Just a quick note about very positive news on our Sept. 6<sup>th</sup> event at Shea Stadium.

Our friends at the Mets have reacted positively to our suggestion to honor the NY National Guard during our pre-game ceremony. The NY National Guard is very excited about this as well and will be producing a video in Afghanistan highlighting their 1,700 soldiers now serving there to present on the NY Mets scoreboard prior to the National Anthem.

We will also have the opportunity to host members of the Fighting 69<sup>th</sup> Regiment from Manhattan which many of you probably know leads the NY St. Patrick's Day parade. The chairman of that annual event, US Army veteran, Mr. John Dunleavy is a new member of the American Legion so we can invite John and his committee to participate.

Just need everyone's help in forming groups by county or region and ordering tickets ASAP to get to our 300 plus goal, tickets are available from: Group orders of 25 or more tickets at \$25 and disabled seating can be obtained by calling Tom Dissette of the Mets' Ticket Dept. at (718) 559-3034. Individual tickets at \$30 can be purchased by contacting David Acocella at [DavidAcocella@Yahoo.com](mailto:DavidAcocella@Yahoo.com) or 914-355-0953. (By August 20<sup>th</sup>)
