Boy Scouts are known for their patriotism and support of our Vets. Long Island Life Scout, Evan Lui has been teaching his Friends how and why they should fold origami Cubes in commemoration of the service rendered by our Vets. When you sponsor one of these cubes acknowledging the Military Branch in which your family Member served, for just \$20, you will help field the first ever Disabled Vets Dragon Boat Team. They will make history on the water in Tampa, Florida as part of the Activities of the 2011 International Dragon Boat Federation's World Events. How appropriate that it will be

**American Disabled Vets who will shatter forever the barrier that has excluded them from this exciting sport. The international Dragon Boat Federation is delighted to welcome our Vets to make history on behalf of the Disabled Community all over the World. Our Liberators are their Liberators!**

**Evan Lui's "Thank Vets First" Cube Project allows you to sponsor a cube through the Vet Group closest to you, American Legion, VFW, Am Vets, Viet Nam Vets, and many, many others. Until further notice make your check out to them and they will get your Cube request to the Group coordinating the Scout's work. The Dragon Boat Team needs your support right away and the Scouts will fold your Cube as quickly as possible. We will send you an email confirming your sponsorship and providing you Cube Tracking information.**

**If you want your Vet's face to appear on your sponsored cube there will be a \$5 Surcharge and you will need to provide an acceptable scanned photo in 200 pixels resolution to meet our production profile.**
