**What is a State Veterans Home?**

Inquiry Can you please explain what a State Veterans Home is? FAQ The State Veterans Home is a home approved by the U. S. Department of Veterans Affairs which was established by a State for veterans disabled by age, disease, or otherwise who by reason of such disability are incapable of earning a living. State homes include facilities for domiciliary nursing home care, and/or adult day health care. Hospital care may be included when provided in conjunction with domiciliary or nursing home care. A state home may also provide care to veteran related family members. For further information, please contact your local VA Medical Center.

**PRESIDENTS MESSAGE**

We mourn the passing of President Tony Arico and our condolences go out to his family. He will be sorely missed by us all. His Past Presidents Plaque will be hung at Northport Hospital.

Frank Tobani takes the names of the representatives present.

**DOROTHY OXENDINE'S REPORT**

I wish to thank everyone who attended and participated in our Memorial Day Service. As usual all went well and although the attendance was not as large as it should be, we had a good turnout.

If all goes well we hope to have the dedication of our NEW Memorial Garden by Veteran's Day. It depends on if we can raise the needed funds to complete the project. We need to raise over \$7,500.00 to get this project off the drawing board and into reality. More information will follow as we progress with this project.

Asst Director Nadine addresses the audience.

counseling to families of active duty service members killed in action?

FAQ The Department of Veteran Affairs (VA) offers bereavement counseling to parents, spouses and children of Armed Forces personnel who died in the service of their country. Also eligible are family members of reservists and National Guardsmen who die while on duty. VA's bereavement counseling is provided at community-based Vet Centers located near the families. ### How do I arrange for military funeral honors?

Inquiry How do I arrange for military funeral honors? FAQ The Department of Defense (DOD) is responsible for providing military funeral honors. The Department of Veterans Affairs (VA) National Cemetery Administration cemetery staff assist with military funeral honors at VA national cemeteries.

Upon the family's request, the law requires that every eligible veteran receive a military funeral honors ceremony to include folding and presenting the United States burial flag and the playing of Taps. The law defines a military funeral honors detail as consisting of two or more uniformed military persons with at least one a member of the veteran's parent service of the Armed Forces. The DOD program calls for funeral home directors to request military funeral honors on behalf of the veterans' family. Veterans organizations may assist in the provision of military funeral honors. When military funeral honors at a national cemetery are desired, they are arranged prior to the committal service by the funeral home.

To arrange military funeral honors, contact your local funeral home.
